

## Outlook for the year 2025: ARSENAL ON LOCATION

Dear friends, Living Archive Members and anyone interested,

in December of this year, we will be saying goodbye to Potsdamer Platz and moving to the silent green Kulturquartier in Wedding. We will open our new cinema in the west hall of silent green at the end of 2025 / beginning of 2026.

Especially in this time of transition and new beginnings, we are particularly pleased about your support and active participation in our programs. To give you an idea of what to expect in 2025 – the time without a movie theater – we would like to give you a preview.

Under the title "Arsenal on Location", Arsenal plans to present joint programs in collaboration with various partners in Berlin, Germany and internationally. There will be events in Berlin at least once a month and the following cinemas and cultural institutions are currently planning to take part: Akademie der Künste at Hanseatenweg, fsk at Oranienplatz, FU Berlin, Kino Brotfabrik in Weißensee, Bundesplatz-Kino in Wilmersdorf, Klick Kino in Charlottenburg, Kino Krokodil in Prenzlauer Berg, Garden of the silent green Kulturquartier, Wolf Kino in Neukölln, Zeughauskino in Deutsches Historisches Museum, Kino in Martin-Gropius-Bau and the bookstore b\_books in Kreuzberg.

For the programs in Germany and internationally, we are in active exchange with the Bundesverband kommunale Filmarbeit, Goethe Institute and partner institutions on all continents.

We look forward to taking you on this journey as a friend of Arsenal and will continue to invite you to selected screenings at our partner cinemas in 2025. Unfortunately, some offers (such as collectable tickets, discounts, cinema rental) will be discontinued in 2025 and there will be fewer screenings than usual during this period. Instead, we are planning alternative event formats for you (e.g. guided tours of the new site, open-air cinema and streaming offers). We look forward to giving you an exciting insight into the construction process of the new cinema and celebrating the opening of it with you.

You can find the latest information on the relocation here on our website: <https://www.arsenal-berlin.de/en/institute/relocation/>. If you have any questions, please contact us at [freundeskreis@arsenal-berlin.de](mailto:freundeskreis@arsenal-berlin.de) or 030 269 55 181.

We look forward to an exciting future,

Yours sincerely

the Arsenal team
